

**PCT stands for the Pacific Crest Trail,
a trail that stretches 2650 miles from
Mexico to Canada, passing through all of
California, Oregon, and Washington.**

J. Bradley Materick & Banner

*Beginning in March, 2004,
a man and his adopted dog
will hike and ski the entire length
of the Pacific Crest Trail
with the goal of raising awareness
and donations to benefit pets
waiting for adoption in
animal shelters nationwide.*

**We need your help! You can choose to support the
American Society for the Prevention of Cruelty to Animals,
sponsoring shelters along the PCT route, or another shelter
of YOUR choice. For more details, explore our web site:**
